

# Group Classes

Class Level	Description	Requirements
<b><u>Puppy PreK</u></b>	Designed to help enrich and socialize young puppies while giving owners tools to prevent problem behaviors as the puppies mature.	<ul style="list-style-type: none"> <li>• Age: 2-4 months old</li> <li>• Vaccinations: 1<sup>st</sup> set of puppy shots (DAPP)</li> <li>• Healthy, friendly, leashed puppy</li> </ul>
<b><u>Primary School 101</u></b>	This class is perfect starting place for most dogs and owners eager to learn the basics. We cover many obedience cues, prepare the dogs for real world activities, and learn how to read dog body language.	<ul style="list-style-type: none"> <li>• Age for Puppy 101: 4-6 months old</li> <li>• Age for Adult 101: 6+ months old</li> <li>• Vaccinations: finished puppy shots (DAPP) and Rabies vaccine for dogs over 6 months</li> <li>• Healthy, friendly, leashed dog</li> </ul>
<b><u>Prep School 102</u></b>	Here, we expand on the basic cues covered in the 101 class by adding duration, distance, and distractions. We also touch on how to more effectively exercise the dogs, mentally and physically.	<ul style="list-style-type: none"> <li>• Age: 6+ months old</li> <li>• Vaccinations: finished puppy shots (DAPP) and Rabies vaccine for dogs over 6 months</li> <li>• Healthy, friendly, leashed dog</li> <li>• Completion of Primary School 101 OR dog can sit stay and down stay in (low distraction) public places</li> </ul>
<b><u>PhD 103</u></b>	This class serves as a Canine Good Citizen Prep course, as well as a way to fine tune previously learned obedience cues. Dogs will learn how to work and focus in more public settings around strange dogs and people while weaning off food lures and training aids.	<ul style="list-style-type: none"> <li>• Age: 8+ months old</li> <li>• Vaccinations: finished puppy shots (DAPP) and Rabies vaccine</li> <li>• Healthy, friendly, leashed dog</li> <li>• Completion of Prep School 102</li> </ul>
<b><u>Professional Development 103</u></b>	These classes are a fun way to learn new exercises to work your dog's mind and body. Whether you want to enroll in competitive dog sports, practice building confidence and self-control in your dog, or just looking for something new to do – these classes can fit your needs.	<ul style="list-style-type: none"> <li>• Age: 8+ months old</li> <li>• Vaccinations: finished puppy shots (DAPP) and Rabies vaccine</li> <li>• Healthy, friendly, leashed dog</li> <li>• Completion of Prep School 102</li> </ul>
